

**§ 10.766 Declaration not required.**

(a) *General.* Except as otherwise provided in paragraph (b) of this section, an importer will not be required to submit a declaration under § 10.764 of this subpart for:

(1) A non-commercial importation of a good; or

(2) A commercial importation for which the value of the originating goods does not exceed U.S. \$2,500.

(b) *Exception.* If the port director determines that an importation described in paragraph (a) of this section may reasonably be considered to have been carried out or planned for the purpose of evading compliance with the rules and procedures governing claims for preference under the MFTA, the port director will notify the importer that for that importation the importer must submit to CBP a declaration. The importer must submit such a declaration within 30 days from the date of the notice. Failure to timely submit the declaration will result in denial of the claim for preferential tariff treatment.

**§ 10.767 Maintenance of records.**

(a) *General.* An importer claiming preferential tariff treatment for a good under § 10.763 of this subpart must maintain, for five years after the date of the claim for preferential tariff treatment, all records and documents necessary for the preparation of the declaration.

(b) *Applicability of other recordkeeping requirements.* The records and documents referred to in paragraph (a) of this section are in addition to any other records required to be made, kept, and made available to CBP under part 163 of this chapter.

(c) *Method of maintenance.* The records and documents referred to in paragraph (a) of this section must be maintained by importers as provided in § 163.5 of this chapter.

**§ 10.768 Effect of noncompliance; failure to provide documentation regarding transshipment.**

(a) *General.* If the importer fails to comply with any requirement under this subpart, including submission of a complete declaration under § 10.764 of this subpart, when requested, the port

director may deny preferential tariff treatment to the imported good.

(b) *Failure to provide documentation regarding transshipment.* Where the requirements for preferential tariff treatment set forth elsewhere in this subpart are met, the port director nevertheless may deny preferential treatment to a good if the good is shipped through or transshipped in the territory of a country other than a Party, and the importer of the good does not provide, at the request of the port director, evidence demonstrating to the satisfaction of the port director that the good was imported directly from the territory of a Party into the territory of the other Party (see § 10.777 of this subpart).
